Dear Community:

The North Union Local School District recognizes the importance of providing in-person learning while monitoring the current situation and keeping our students, staff, and community safe.

We will continue to maintain the COVID-19 information page on our website at <https://www.n-union.k12.oh.us/covid.aspx>. This website includes a dashboard with the current and cumulative staff and student cases of COVID-19. This dashboard is updated as cases are reported. The date and building of the latest case will be indicated on the bottom of the page.

If you or your child is considered a contact, you will be informed by letter from the principal of the school of attendance with further instructions.

If you have any questions please contact me, or our school healthcare provider, Lindsay Cox at lcx@nu-district.org or 740-943-1701.

Sincerely,

Richard J. Baird, Superintendent
