

Attention: 7th grade parents-school year 2023-2024

All students entering the 7th grade must have one dose of the meningococcal vaccine and one dose of the Tdap vaccine.

The state of Ohio requires that all students must have these immunizations. Please have your physician or health department complete the needed immunizations and return the record to the school. If your son/daughter has already received these vaccines, please send a copy of the immunization record to the school office so their record can be properly updated.

Students who are not in compliance will be excluded from school as of October 1st, as per state law.

Please contact the Union County Health Department at 937-645-2052 for questions or to schedule an appointment if needed.

Please return the completed record to the school or mail directly to the nurse at:

North Union Middle School

Attn: Lindsay Cox, RN

12555 Mulvane Rd.

Richwood, OH 43344

Thank you,

Lindsay Cox, RN
