License Plate # \_\_\_\_\_ Driver's License # \_\_\_\_\_

Distance to school (approx. how many miles) \_\_\_\_\_

Other vehicles you may drive to school \_\_\_\_\_

---

The student will need the following to purchase a parking permit: completed form, valid driver's license or court documents & cost of permit. The permits can be purchased in the high school office.

The cost of the parking permit is \$50.00. This includes the drug testing fee & the parking permit. If the drug testing fee has been paid prior to purchasing a parking permit, the cost will be \$20.00. It is understood that by purchasing a parking pass, the student will be eligible to be selected for drug testing throughout the school year.

A parking permit must be kept in the vehicle you drive to school. If you drive a different vehicle, it is your responsibility to move the parking permit to the vehicle you are driving. The permit is to be hung from your rear view mirror. The speed limit in the NULSD parking lot(s) is 10 mph. North Union High School has the right to revoke your parking permit. If you have any questions, please contact the High School Office. I hereby agree to drive safely and abide by all school rules.
