(Example: Honda Accord 2010 Gold)

License Plate #_____ Driver's License #_____

Distance to school (approx. how many miles) _____

Other vehicles you may drive to school_____

_____

Student Parking Permits are required when parking in the North Union High School parking lot.

The student will need the following to purchase a parking permit: completed form, valid driver's license or court document & cost of permit. The permit can be purchased in the high school office.

There will be no charge for a parking permit this year. (Next year the cost will be $20.) However, students are required to pay for the Drug Testing Fee when signing up for a parking permit.

A parking permit must be kept in the vehicle you drive to school. If you drive a different vehicle, it is your responsibility to move the parking permit to the vehicle you are driving. The permit is to be hung from your rear view mirror. The speed limit in the NULSD parking lot(s) is 10 mph. North Union High School has the right to revoke your parking permit at any time. If you have any questions, please contact the High School Office. I hereby agree to drive safely and abide by all school rules.
