### **COVID-19 & Special Education Services**

#### **Will my child receive the services list on their 504 or IEP:**

- Regardless of the mode of delivery (online, hybrid, in-person) every child will receive the services indicated on their 504 or IEP. North Union Local School District is dedicated to ensuring the provision of FAPE (Free and Appropriate Public Education)
- Accommodations listed within the 504 or IEP will be provided regardless of in-person or online delivery

#### **What if my child has a 504:**

- Accommodations will still be available, and provided by the general education teacher, regardless of the instruction delivery

#### **What if my child has an IEP:**

- During the on-line instruction accommodations and modifications will still be provided based off of the most current IEP
- Related services (Speech, Occupational Therapy, Physical Therapy) may be provided either on days the student is in the physical building, or via teletherapy
- The extracurricular statement is still active during COVID, which means your child will have the same opportunities to participate as non-disabled peers
- Variations of the district reset and restart plan may be available for vulnerable youth
- Your child's IEP or Distance Learning Plan will list detailed services to be provided during each mode of delivery
